STATOTHR

The Central Intelligence Agency has never made any statement regarding the U-2 or Francis Gary Powers.

As you know from reading the Press, Mr. Powers has been undergoing questioning on a voluntary basis before a Board of Inquiry and will shortly appear before the Press to answer questions. Your local newspaper will undoubtedly carry the story of Mr. Powers' press conference.

I am enclosing some data on the Central Intelligence Agency, for your information.

Sincerely,

/s/

Stanley J. Grogan  
Assistant to the Director
